Mrs. Barbara Burton

Washington High School has been part of our community for more than five decades. Some of our Mothers, Fathers, Aunts, Uncles and cousins have been educated at this school. Some of our teachers graduated from Washington and have re-joined the family to pass on the Generals' traditions and academic expectations. Barbara Burton had been with us for twenty-two years. She was a dedicated and concerned teacher. She loved our young people and worked long hours to help them become citizens of this community. She died in September. We miss her very much.

As in any family, there are times we are pensive. There are times we look up and smile; and, there are other times when we're together, that our individuality projects our separate moods.

ACTIVITIES

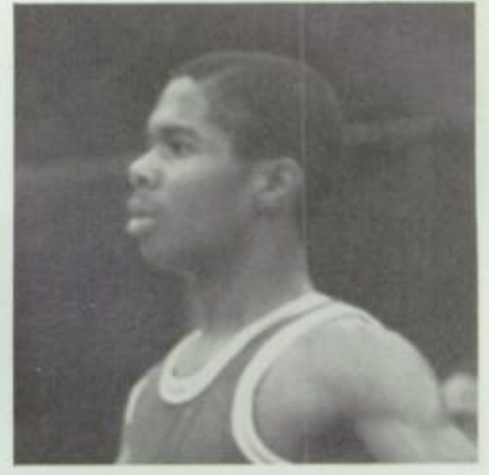

Takin' It To The Streets.

The Annual Winter Holiday Concert was held on the evening of December 17, 1981. The Choir and Vocal Ensemble, directed by Mr. Richard Harris, performed such songs as "Oh, Bless the Lord, My Soul", "Songbird", "Call Him Up" and many more. Some of the featured soloists were Cathy Perkins, Renee Dupree, Sheila Morris and David Cole, and Desiree McAlpin. Under the direction of Mr. Ed Jackson, the W H S Band's several selections enlivened the program. A dance skit by Deidre Jackson and Anthony Cotton added variety and alumni, Mark Currie, returned to lend his voice to the celebration.

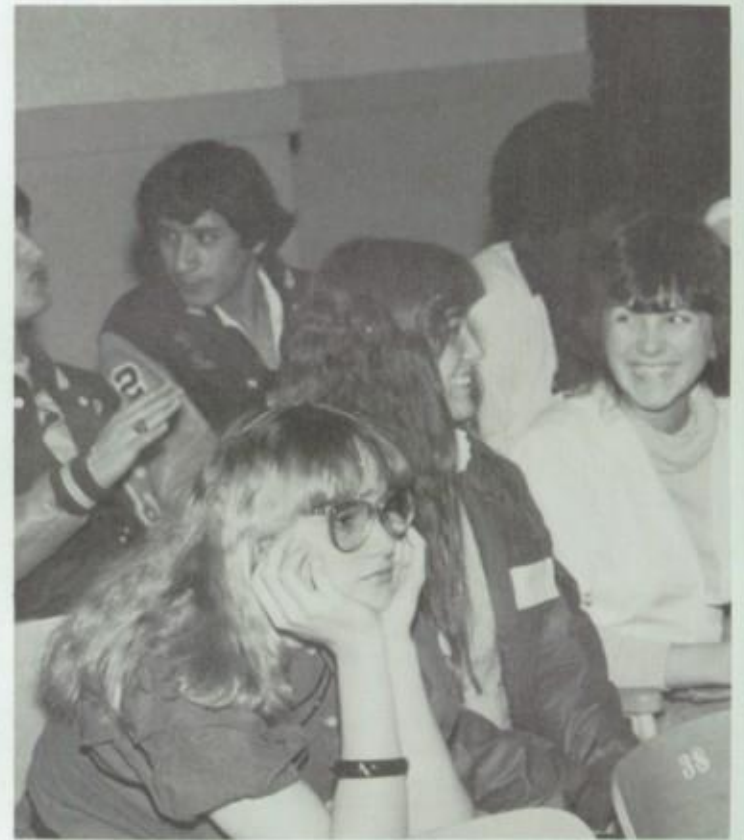

We Are Family In Everything We Do.

Third Annual

Martin Luther King Symposium

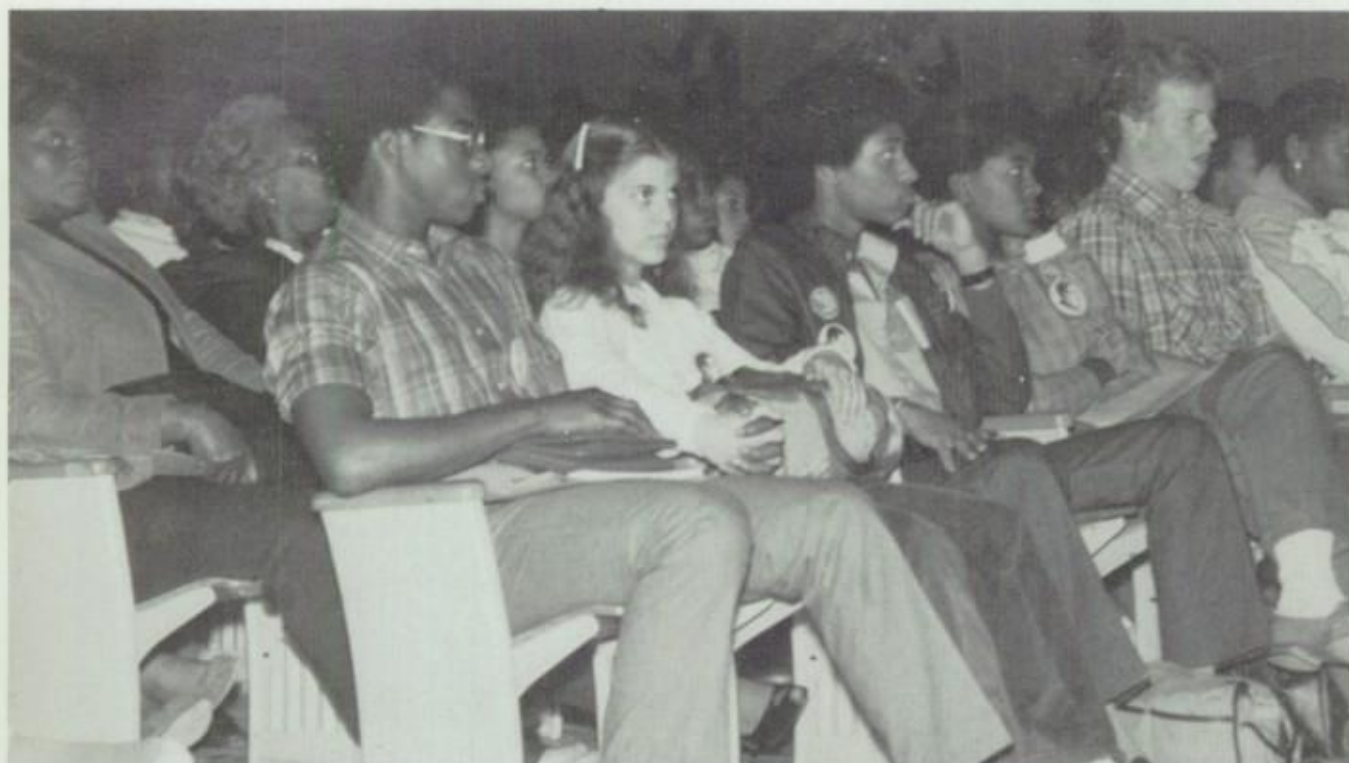

On January 14, 1982, George Washington High School held the Third Annual Dr. Martin Luther King Day Symposium.

The Symposium gathered over 300 students from Locke, Crenshaw, University, Van Nuys, Kennedy, Hemet and many other Southern California high schools to discuss the many aspects of life that Dr. King brought to the attention of Americans.

The day started with a get-acquainted activity in the Auditorium. The Washington High School Peer Counselors, under the direction of Mr. Kakassy, were hosts for the guests. The Peer Counselors took their guests to take part in Homeroom discussions and to the Commemorative Assembly.

At the Commemorative Assembly the 120 voices of the Choir and the Vocal Ensemble, under the direction of Mr. Richard Harris, performed at both the opening and the closing of the program. Under its conductor, Mr. Ed Jackson, Washington High School's Symphonic Band made its first performance. Mr. Steve Johnson's Play Production group presented a skit about the early days of non-violent protest which concluded with Creg Crowley's interpretation of Dr. King's "I have a Dream" speech.

Lunch, for the escorts and guests, was provided by MdDonalds and the Northwestern Fruit Company.

The day concluded with reports from each small group discussion presented at the closing large group discussion.

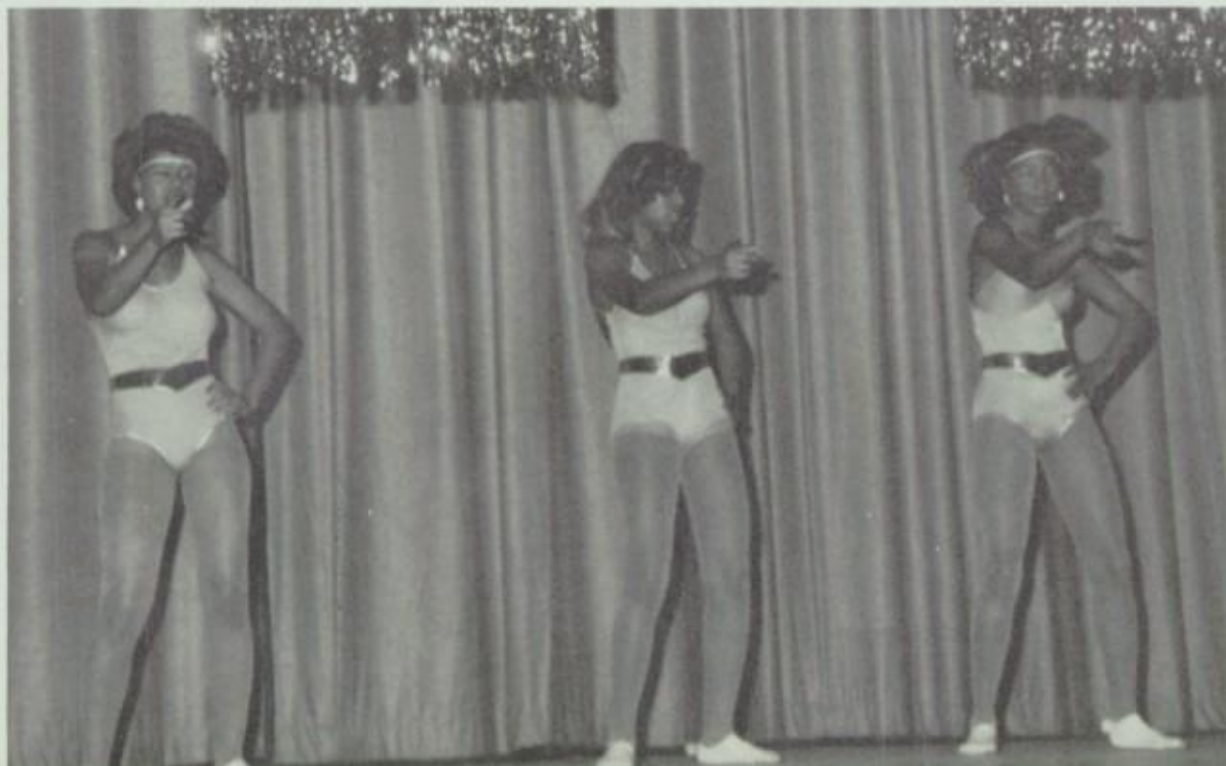

Solid Gold Talent Show

Washington's Second Solid Gold Variety Show was presented on February 5 and 6, 1982, at 7:30 in the evening. Both nights were filled with singing, the Solid Gold dancers, commercials, the Solid Gold Countdown and Kerry Davis, Jerry Johnson and Mac McCollister rapping throughout the show.

Last year the Class of 1982 presented the first Solid Gold Variety Show to defray the class expenses for their Senior activities. It was very successful. This year's show was an even bigger success because of the excellence of the performances and the money raised.

One In A Million

This year's Spring Talent Show, "One in a Million", was presented on March 12, 1982, at 7:00 pm in the Generals' Auditorium. The show was produced by Kenneth Crowe, Student Activities' Coordinator, with the assistance of Allison Powe. The talents were judged by teachers and special guests.

Welcome was extended by the Mistress and Master of Ceremonies, Christiane Evans and Keith Sampson. Among the performers were Kerry Davis and Mac McCollister in "Packman Fever". Singers were Sylvia Thorpes, Kenneth Profit, Karen Bean with the Carbon Copies, Back to the Forties and Judy Gordon backed by Gwen McGowan, Elinor Chennault and Tamera Nolan. The Winners were: **Third Place**, Angela Talbert pop-locking to "Grapevine"; **Second Place**, Kevin Allen singing, "She's Out of My Life"; **First Place**, Tangela Wynne singing, "Over the Rainbow".

Richard "Dimples" Field performed at the close of the program and gave students in the audience autographed pictures of himself.

Homecoming 1981

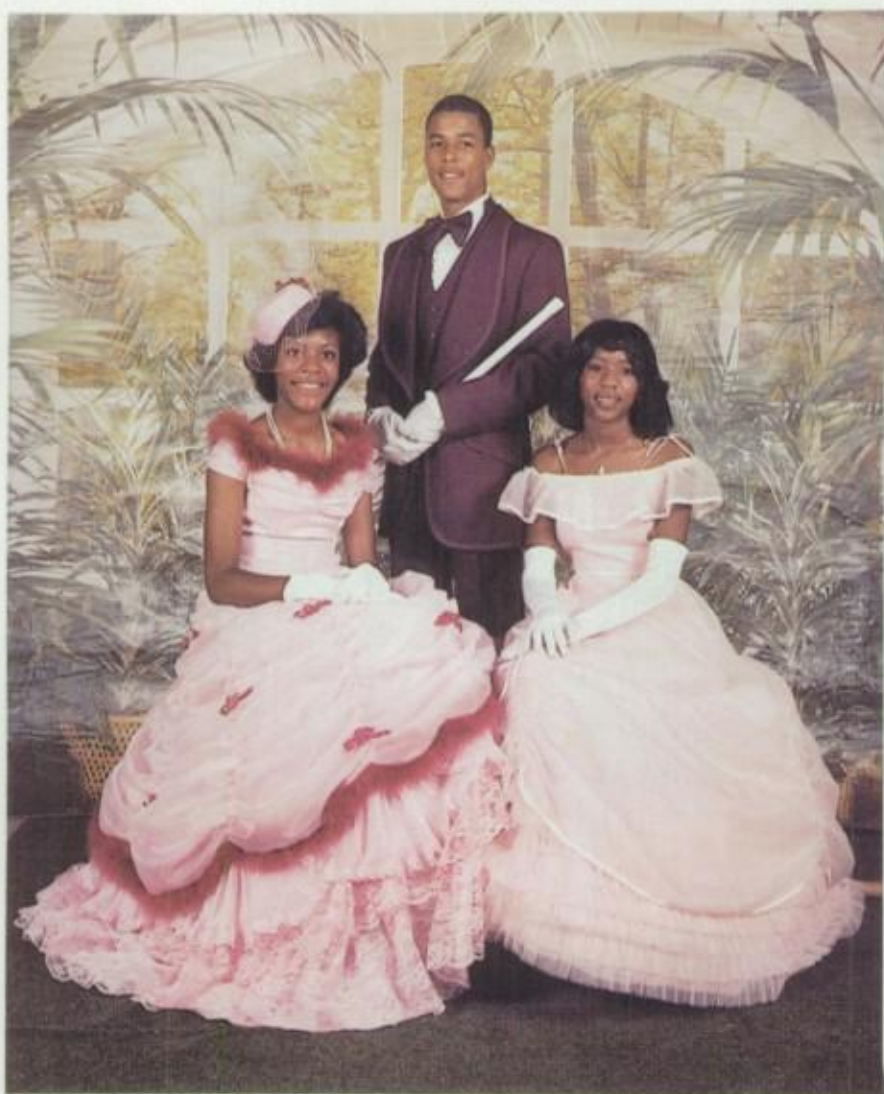

Hughes Field was the arena for the Homecoming 1981 celebration on October 30, 1981. As is the tradition, the festivities began with a parade of cars carrying the Clubs before the football game began. Homecoming's presentation of the Homecoming Court began with the candidates' trip around the Field. Michael Hunter, soloist, and the Band played a theme arranged by Mr. Jackson, the Band Director.

Mrs. Gary, the Grand Marshall, was given a corsage by Mr. Crowe, Coordinator of Student Activities. The happy attendants heard their names announced to the crowd's cheers. Finally last year's Queen, Carla Kemp, made the presentation of the Crown to this year's Queen, Carla Love. See the pride and happiness of the 1981 Homecoming Queen and King. But all the festivities were not over, even after the Homecoming Dance, held at the Airport Park Hotel. The Homecoming Court had their pictures taken the next morning at Roberts Studio with Wayne, the photographer, and Mrs. Butler, the Yearbook Advisor, being sure they would look as lovely as they were.

Marching Band

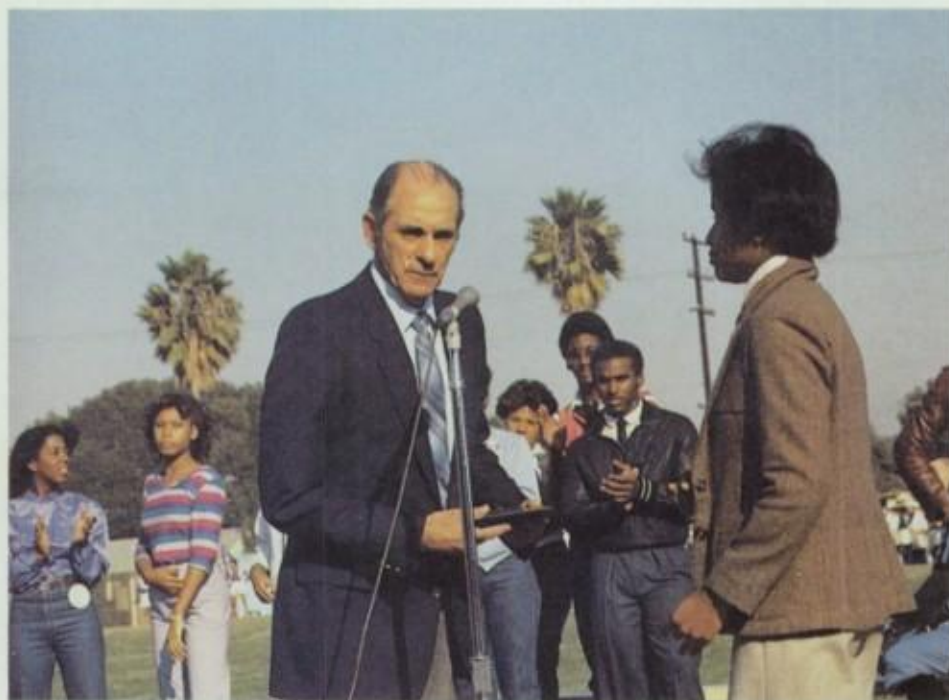

In the spirit of "We are Family", the theme picture was taken of representative family members: Mr. McKenna, who leads us, Mrs. Gary, who supports us, and Mr. Casstevens, of the faculty, because he is our oldest graduate of Washington currently with us. The students in the picture were chosen randomly as they crossed the Quad during passing period, but they represent all of us.

Putting The Shot

Hurdlers

Washington High School has an excellent track team this season and is expected to take the Southern League championship for the third consecutive year. The team consists of many talented athletes such as seniors, Murry Burnett, who is a fine triple jumper and is expected to take city in the high jump, Kenny Howard who is one of our finest high and low hurdlers, Fabian Cooper, one of the city's finest quarter-milers should do very well in the 200 meters, Anthony Hawkins should do very well in the 100 and 200 meters, Randy Walker is also one of the city's best in the 100 and 200 meter dashes, Darryl Pulliam is expected to do well in the shot-put and his younger brother Glenn Pulliam should do well in this event also. Other athletes contributing their talents this season are: Tyrel Green, Thomas Gamble, James Thropes, Barry Johnson, Vincent Dorn, and YoVarr Jones.

SUPPORTING LEARNING

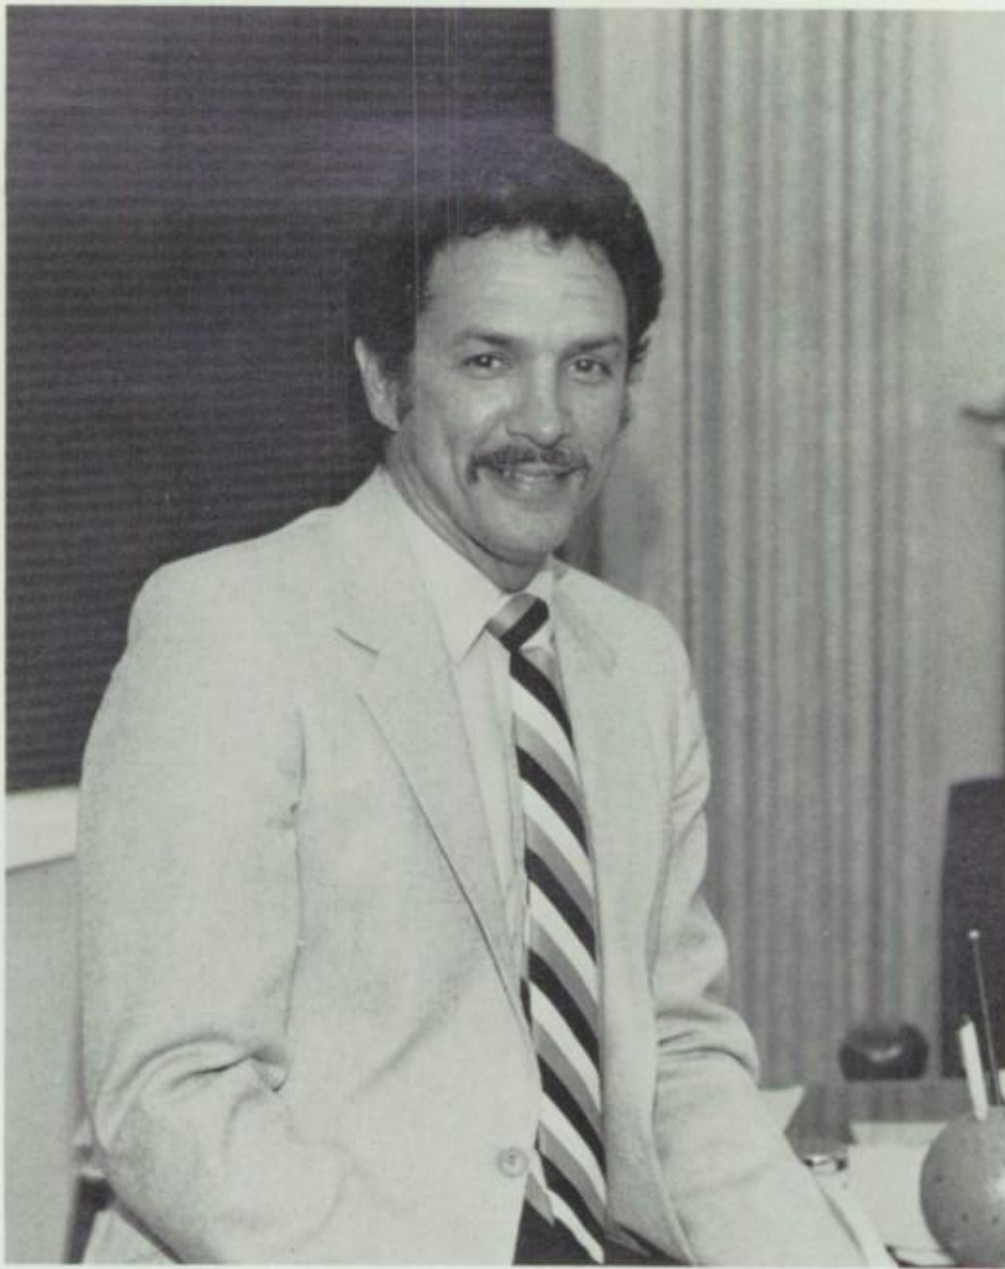

High school is a special time of life. Often, hope and faith are at their highest points. Sustain that high point of faith, once you sense it, and let it carry you to your goals. If you love education and learning it will be a faithful friend through out your life time. It will reward you for your faith and hard work. It will sustain you.

Joseph Walker
Assistant Principal

"WE ARE FAMILY" denotes unity, togetherness, a sense of belonging, caring, feeling a sense of responsibility and a spirit of enthusiastic devotedness to and support of the common goals and ideals of Washington High School. Our family is a bond which fosters concern about the well being of the family as a unit and of the individual member of the family. To be a part of the family means being a part of the program which involves total commitment and a total involvement in the educational process. This process involves learning and becoming prepared to meet those goals that you have set for yourself. It is my hope that you are successful and that you are adequately prepared to meet those challenges that you must face in this society, as you strive to be the best in whatever educational field that you pursue. No matter how near or how far you may roam from these walls of Washington High School, remember that the family is behind you hoping for you the fulfillment of your life's dream.

Bettie Andrews
Assistant Principal

George J. McKenna, III
Principal

The 1981-82 academic year at Washington High has been extremely exciting and challenging, and in my entire career as an educator I cannot remember a more satisfying experience. To have been able to work with the Class of 1982 for the last three years has been one of the greatest privileges of my life and I will cherish their memory forever. We have much to appreciate from our efforts, such as an outstanding student government and student activities program led by the student council and the outstanding students who comprise that body. The dedication of our student leadership group under the leadership of ASB President, Janice Miller and the faculty sponsor Mr. Kenneth Crowe, has created one of the strongest student support groups in the entire District. Additionally the Peer Counseling Program under the direction of Mr. Kakassy has contributed to a climate of human understanding rarely found on a high school campus. The continued and increased involvement of our parent support and advisory groups under the leadership of Mrs. Margaret Wright has added a welcome dimension to the total school program. Our dedicated parents, Mrs. Gloria Gary, Mrs. Rosa Eppenger, Mr. Billie Wilson, Mrs. Johnnie Dews, Mrs. Pine, Mrs. Eleanor Miller, and Mrs. Carolyn Dixon have contributed so much to our total school community through their activities with our Advisory Council, PTSA, Booster Club and other programs, that an expression of gratitude here is totally inadequate to truly express our appreciation. They continue to be the strongest and most consistent supporters of Washington High over the years. We are also pleased to welcome several new and innovative programs to Washington High this year. With the addition of the 9th graders from Bret Harte Jr. High and the arrival of two new Magnet Centers for 10th grade students, we have added an additional 700 students to our school population. This has resulted in a marked increase in the number of academic course offerings which have been added to our program, as well as a growth in the quantity and quality of our teaching staff. It is my belief that none of this would have been possible without the excellence for the past three years which has greatly enhanced the reputation of the Generals throughout the entire city. Our image has grown in a positive way because of the commitment to excellence that our students have adopted. The legacy that you leave will be the beginning of a Renaissance of Excellence which will hopefully continue for many years to come. We will continue to strive for excellence at all levels and together we will realize a positive change in the quality of life in our community. "WE ARE FAMILY"

The Magnet Programs

The Magnet Programs at Washington High School began with the 1981 - 82 school year. The two programs, one in **Communications Arts** and, the other in **Mathematics and Science**, have enrolled only Sophomores this year. As new Sophomores are enrolled, the program will expand next year to Juniors and Sophomores. These Magnet Schools are an integral and growing part of the Washington High School's Extended Family concept.

Senior Recognition Day

February 19, 1982

Senior Recognition Day for the Class of 1982 was February 19, 1982. The gala celebration's theme was "Down Memory Lane". Four songs underlined the theme: "Back Down Memory Lane", sung by Tangela Wind, "Jesus is Love", Kathy Perkins, soloist, "I'm in Love", sung by Karen Dean and "Memories' Song", performed by Rene Dupree. Also supporting the theme, three skits were presented. The skit about the 1960's, written by Sylvia Shepherd, Kara McFadden and Denise Gardner, took place in a Black Church to show how blacks were fighting for their rights. 1970 and 1980's skits were written and directed by Felicia Easley. The 1970's skit was about Soul Train and the 1980's skit was a punk rock occasion with everyone in the cast participating. The Senior Class Poll was presented by the honored guest, Jeffery Simmons, a football player for the University of Southern California. The Recognition Cheerleaders set the spirit of enthusiasm and buoyant elation that set the mood for the whole afternoon.

To be Editor-in-Chief of the Yearbook is a great honor. The fact that the staff and student body thought me worthy places within my heart a memory which will linger forever.

I wish to give special thanks to the people without whom this book would not have been possible. I want to thank Mrs. Butler for all the love and support she gave me and the staff. Also my thanks go to the Senior Standing Committee, Roberts Studio, and Jostens/American Yearbook Company and their representative, Hap Zavach. Others who were helpful and supportive were Mr. McKenna, Mrs. Andrews, Mrs. Streaty for all her typing and reproduction of polls and bulletins, PTSA members, the student body and the Faculty.

Lastly my gratitude and praise go to the staff for all their effort and hard work. Special recognition goes to Viola Watson, Senior Editor, who, I think, worked the hardest of us all. Congratulations, Viola, and staff, I think we've created the best book ever. Truly, We Are Family.

The purpose of the Booster Club are to assist in the general athletic and academic programs of Washington High School and to foster mutual interest and closer relationships among members of our community and the school.

The Booster Club, with staff support, is a small group of parents who are dedicated and committed to Washington High School.

Our goals are:

1. To work diligently to get lights on the Athletic Field.
2. To get scholarships for students.
3. To get more coaches for every team.
4. To get more parents involved.
5. To set up a network of endeavor to many colleges.
6. To get more positive publicity for the achievements and activities of the school.

Some goals are long term; some are short and need your participation. Some of our gifts of love are volunteer time to school activities: volunteer coaching of track, girls' basketball and girls' softball teams. We sponsored the Track Banquet and pay for Track Trophies. We gave a 15 mm camera to the Football team. There is a need for us; in the end, it means giving our all and our hearts.

Congratulations To The Class Of 1982

The PTSA was founded in the late 1880's by concerned mothers. They wanted better health care and better laws to protect their children from work abuse and an all around better life for children. Since that time, the PTSA has emerged as a bulwark for every student in the United States.

The Washington High School PTSA has given to needy students; bus passes, gym clothing, dental care, and eye glasses. They have, also, given food baskets to needy families during holidays.

The PTSA at Washington High School has sponsored several student activities, including, GRAD NIGHT and the Blues Festival; has chaperoned school dances, athletic events, the Senior Prom and the After Prom.

The parents of the PTSA at Washington High School continuously work with the school in recruiting parent volunteers; offer lay counseling to students and support Back-To-School Night. We are friends and school parents to all of Washington High School students.

Our aspirations for Washington High School are:

- A new Gymnasium
- A new Cafeteria
- Lights on the Athletic Field
- More Parent Involvement
- Successful Students

This will be, if God's willing and we stay healthy; you'll see.

Love always,
Your PTSA
